

Finding Student Bus Number

1. Select Student

2. Go to Custom Screens

3. Select Bus Information

This Bus information page will display the AM and PM bus information for this student. This information will be updated from Transfinder so that it is up to date and valid information.

To export this data for a spread sheet the field names are as follows.

AM Bus Information – leveledata_am_bus

PM Bus Information – leveledata_pm_bus
