Student Volunteers - MPACT

Monroe High School students, Enzo Mignano and Chancey Boyce, volunteer at MPACT studio after school. Their interest in MPACT started in middle school and continued into high school. Some of their responsibilities at the studio include arranging the set and aligning the cameras. Enzo ensures the sound is level throughout the show and Chancey manages the cameras. Mrs. Everly noted that the MPACT staff is pleased to have Enzo and Chancey in the studio and complimented them on their technical knowledge.

Superintendent's Comments

The school safety survey is now closed; 2,200 people participated in the survey. This will serve as a platform to build presentations for the Board, and after spring break, offer opportunities for parents to engage in conversations.

Spring break starts Friday and classes resume on April 9.

We are very pleased with the automated kindergarten registration over the last couple of weeks. Parents have been complimentary of the timeliness of the process.

Congratulations to the cast of the play at Monroe High School! They worked very hard and presented the play to packed audiences over the weekend.

Monroe Middle School will perform their spring musical, "The Lion King Jr.," on April 13 and 14 at 7:00 p.m.

The Monroe High School band will head to Disney World to perform at a variety of venues over spring break. This will be Mr. Nuecherlein's final trip with the band, given that he will retire at the end of this school year. The MHS choir, along with Ms. Windelborn, will travel to New York City to perform at several venues during spring break as well.

Congressman Walberg will host a town hall meeting regarding substance abuse at Monroe High School tomorrow night at 6:00 p.m.
