

# Monroe Minute School Safety Survey Data

---

Monroe Public Schools

# Background Summary

---

- Using our Monroe Minute survey program, Monroe Public Schools sent out a survey to students (7<sup>th</sup>-12<sup>th</sup> grade), staff, and community members for a two-week span, starting March 6 and concluding March 20.
- We were extremely pleased with the participation in the survey:
  - Students: 1,169 responses
  - Community Members: 858 responses
  - Staff: 220 responses
- The questions in the student survey were altered slightly in comparison to the adult-targeted surveys, but both targeted similar options.

# What did we want to know?

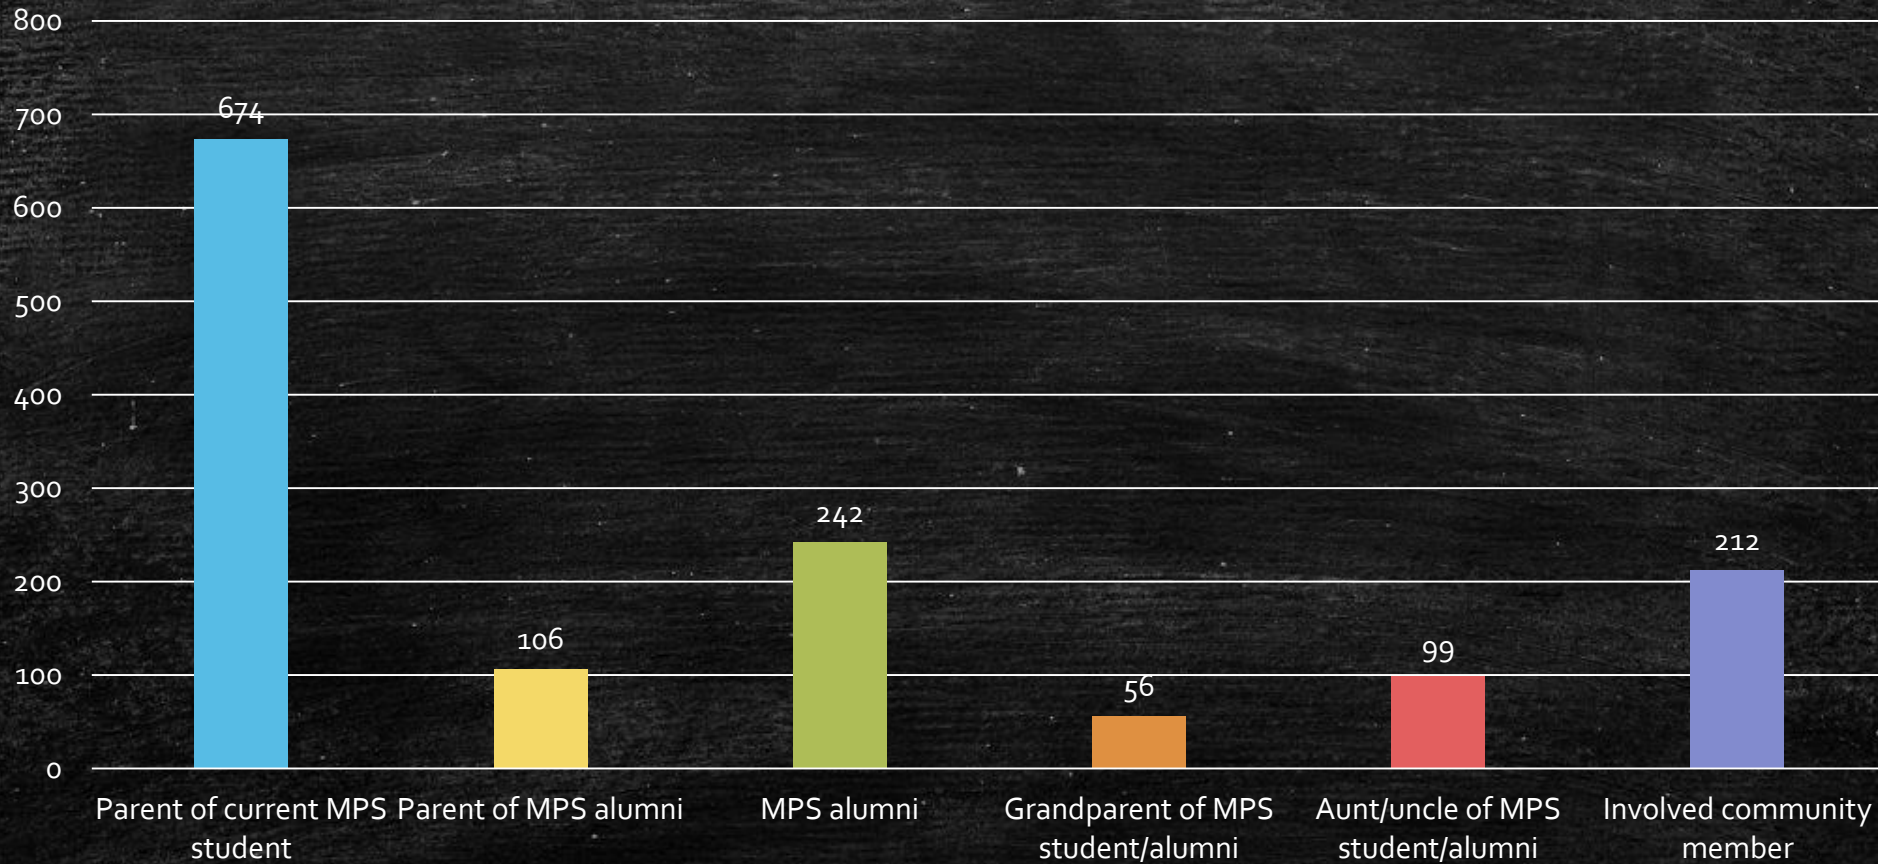

---

- How do you feel about the effectiveness of our current safety initiatives?
- How would you feel about possible additions, alterations, or updates to our current safety initiatives?
- Would you be willing to assist Monroe Public Schools in making these updates through a bond measure?
- In the event of an emergency, how do you want to be notified?
- Lastly, we wanted to understand the thoughts the community had regarding school safety.

# Current Safety Measures

---

Monroe Minute — School Safety Survey Data

On a scale of 1 to 10, with 1 being the lowest, rate how each of these Measures that your school already has in place are in keeping our schools safe.

---

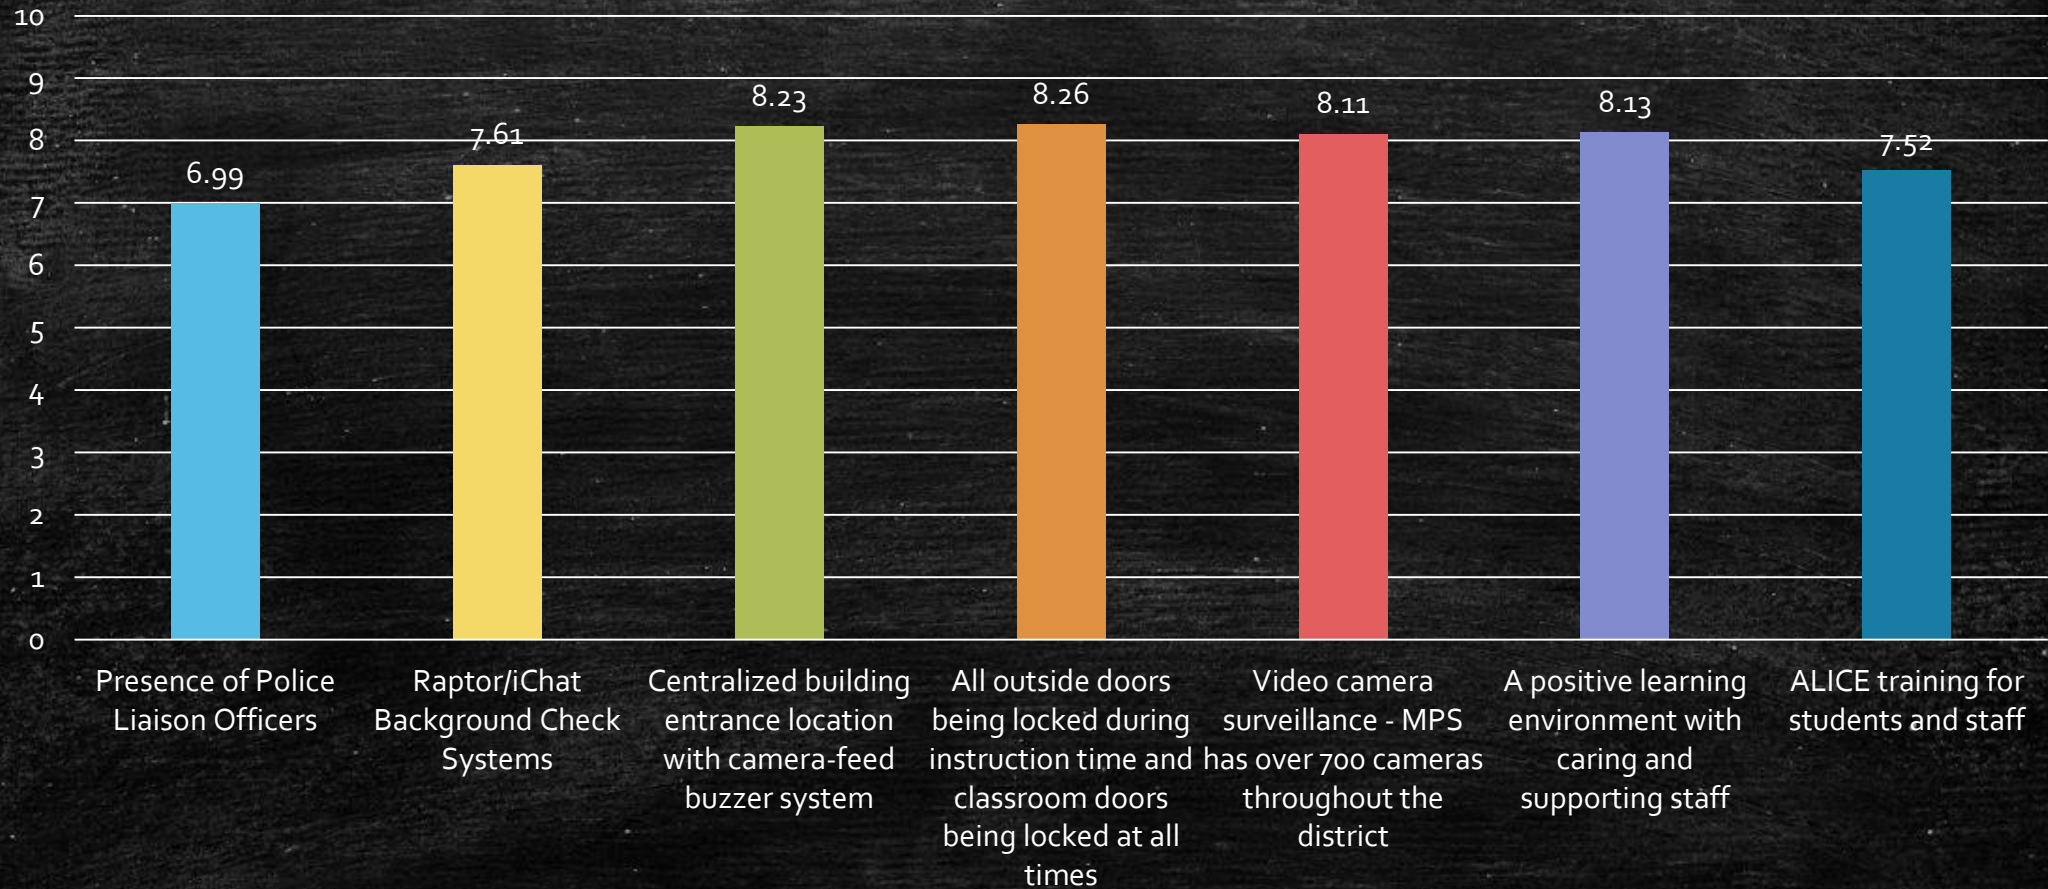

## Response Options

- Presence of Police Liaisons
- Background Checks for All Visitors
- All outside doors being locked during instruction
- Video Surveillance Cameras
- A positive learning environment
- ALICE Training
- Centralized building entrance location with camera-feed system (only included on adult survey)

# Possible Safety Updates

---

Monroe Minute – School Safety Survey Data

On a scale of 1 to 10, with 1 being the lowest, rate in effectiveness the following updates Monroe Public Schools could take in keeping our schools safe.

---

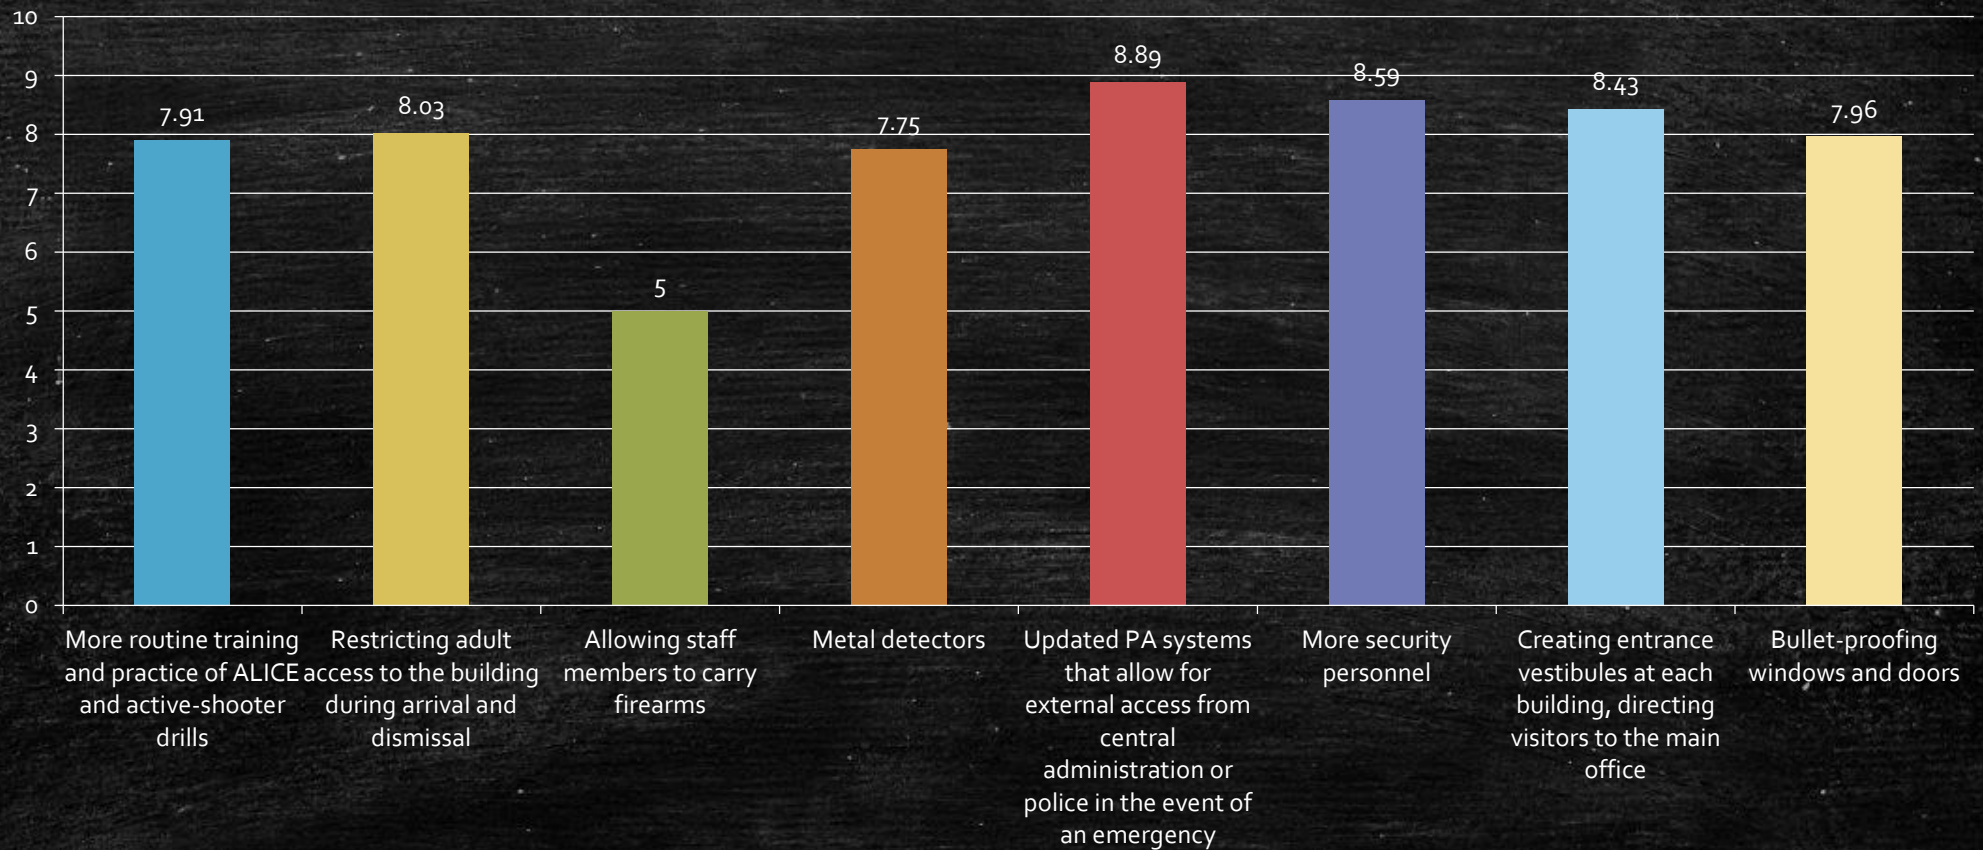

## Response Options

- More routine ALICE training
- Checking in all adults at all times, including arrival and dismissal
- Metal detectors
- Updated PA systems that allow for external access
- More security personnel
- Guided entrance vestibules in each building
- Bullet-proof windows and doors
- Allowing staff members to carry firearms

# Communication Options

---

Monroe Minute — School Safety Survey Data

In the event of a school safety emergency, how would you like to be notified?

---

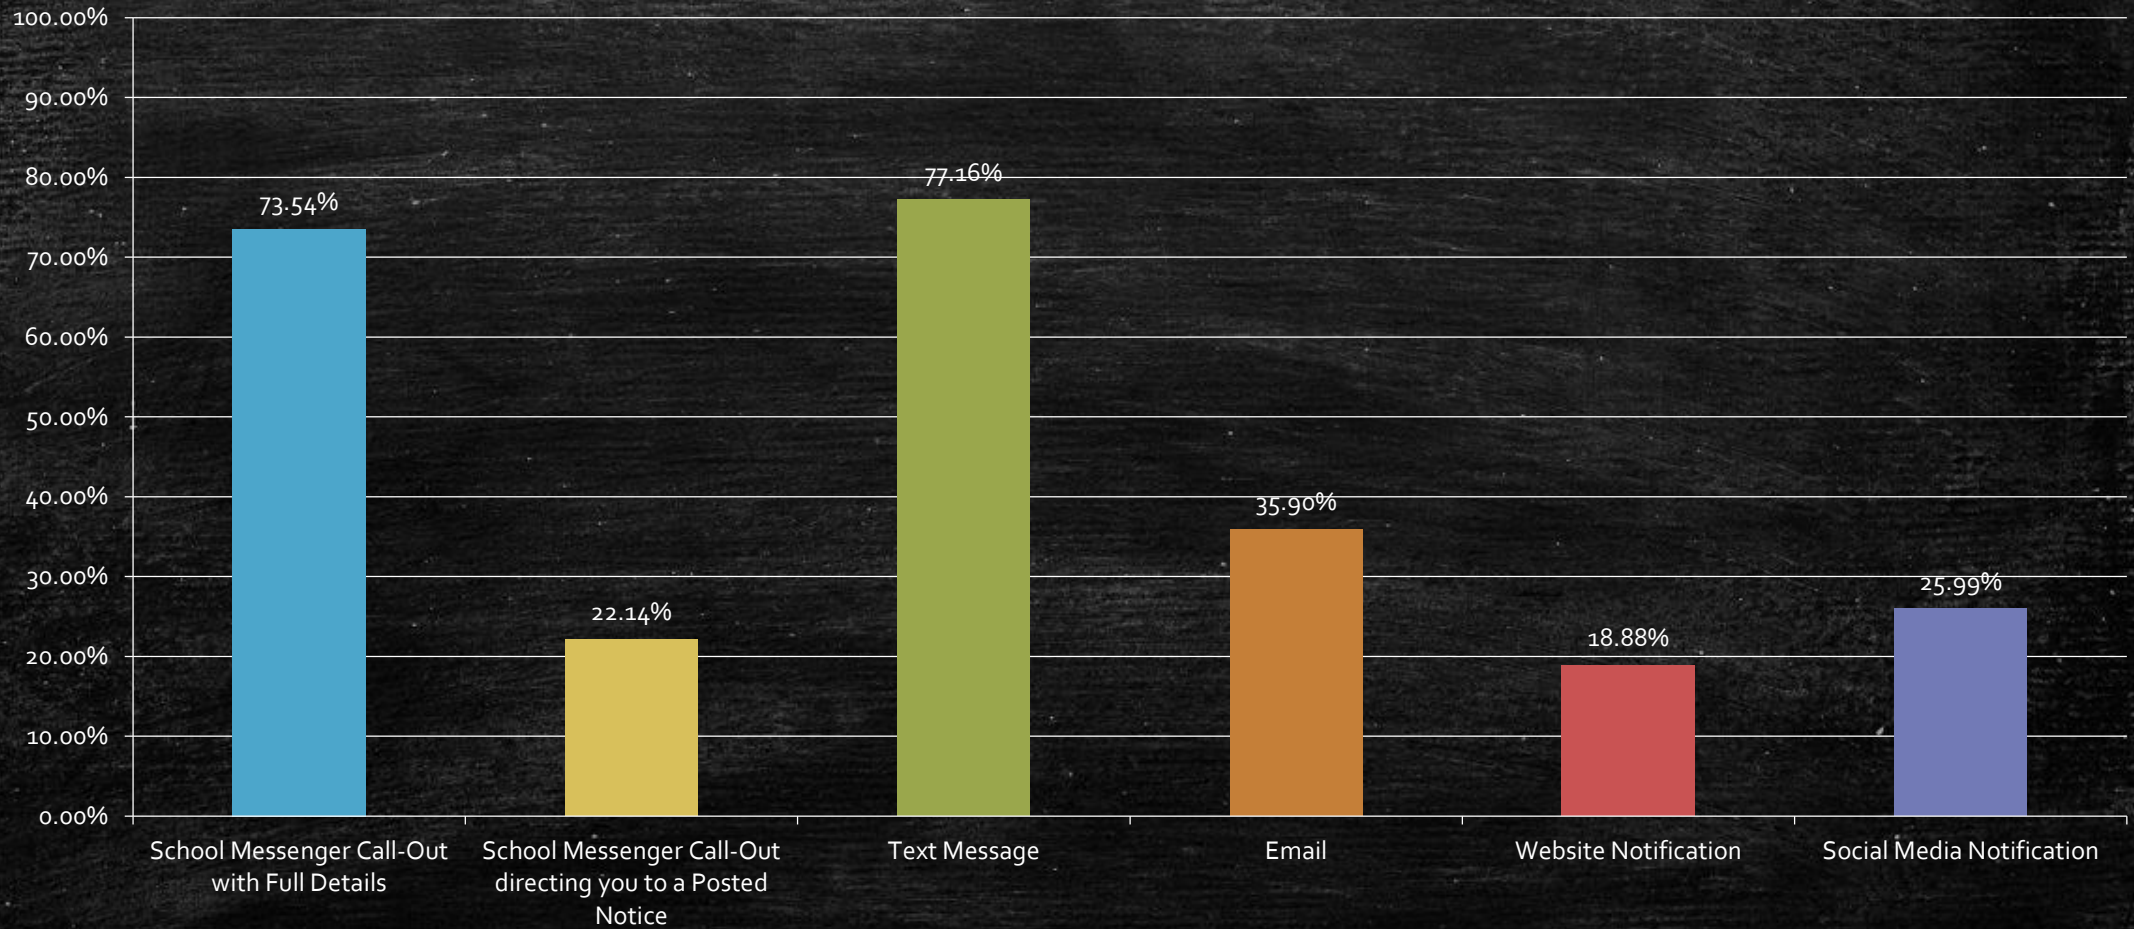

## Response Options

- School Messenger Call-Out with Full Details
- School Messenger Call-Out directing you to a posted notice
- Text Message
- Email
- Website Notification
- Social Media Notification

# Community Member Responses

# Open-ended Responses

---

Monroe Minute — School Safety Survey Data

What is the most important step our school community can take in improving our school safety protocols?

---

## Response Themes

- Students – More officers, ALICE training, communication with students and families, locking doors
- Community Members – Mental health services, officers in buildings, locked doors, metal detectors
- Staff – more consistent use of background checks, iChats, Raptor, etc., mental health services, not allowing weapons into schools

What are our next steps?

---

Monroe Minute — School Safety Survey Data

# Training for Staff

---

- Monroe Public Schools is committed to ensuring all of our staff are trained in the most up-to-date school safety practices and initiatives.
- We are committed to more routine ALICE training for both staff and students.
- For staff across the district, we are also implementing mental health first aid training and student-trauma emotional support.

# Legislative Conversations

---

- We are in constant conversation with our state and federal legislators about making changes at a state level regarding safety in our schools, but we need your help and your voice! Contact your legislator through the channels listed below!

- **United States Senators**

- Gary Peters: [senator@peters.senate.gov](mailto:senator@peters.senate.gov)
- Debbie Stabenow: [senator@stabenow.senate.gov](mailto:senator@stabenow.senate.gov)

## United States Representative

- Tim Walberg: [walberg.house.gov/contact](http://walberg.house.gov/contact)

## State Senator

- Dale Zorn: [SenDZorn@senate.Michigan.gov](mailto:SenDZorn@senate.Michigan.gov)

## State Representatives

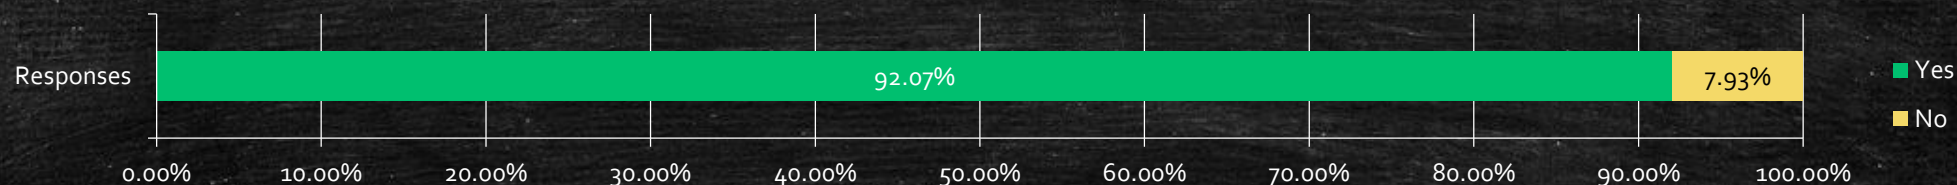

- Joe Bellino: [josephbellino@house.mi.gov](mailto:josephbellino@house.mi.gov)
- Jason Shepard: [jasonsheppard@house.mi.gov](mailto:jasonsheppard@house.mi.gov)

Would you be in favor of passing a bond measure to ensure that Monroe Public Schools could implement these safety measures for our school buildings?
